Dear Sir:

Your letter together with the Deutsches Haus Plaque came duly to hand. As our Annual Meeting happened just about that time, with its consequent long reports, &c., we were unable to go through the list of institutions which we thought would be best for you to send specimens of this plaque to.

I am herewith sending you a list of names of institutions which I think would appreciate one of these plaques.

In behalf of the Society, I beg to thank you for the plaque that you have sent us.

Very truly,

(Enclosure)

Curator.
